OBJECTIVE

Aspiring Software Developer actively seeking exciting job opportunities. Proficient in web Development and Data Analysis, I'm ready to contribute my expertise to innovative projects. Let's collaborate and drive technological advancements.

EDUCATION

- Indian Institute of Information Technology, Kottayam** 2020 - 2024
Bachelor of Technology in Computer Science and Engineering CGPA: 7.2
- Sri Chaitanya Junior College, Hyderabad** 2018 - 2020
Board of Intermediate Education, Telangana Percentage: 96.9
- Vandematharam High School, Nizamabad** 2018
Board of Secondary Education - Class 10, Telangana CGPA: 9.2

PERSONAL PROJECTS

- Tour and Travel Management System** Sep-2022
Developed a web-based application for booking and managing tours, enhancing the user experience for travel enthusiasts.
 - Tools & technologies used : HTML, CSS, JavaScript, Python(Django), MySQL
 - Implemented user registration, tour booking, payment processing, itinerary management, user reviews, real-time notifications. Increased user engagement and positive feedback from users.
- Personal Portfolio Website** Aug-2023
Designed and developed a personal portfolio website to showcase my skills and accomplishments in web development.
 - Tools & technologies used : HTML, CSS, JavaScript
 - Developed a personal portfolio website which is dynamic and visually appealing online showcase of my work and skills. It boasts a responsive design that adapts seamlessly to different devices and screen sizes. The website features an innovative contact form that's connected to Google Sheets, making it easy for visitors to reach out to me.
 - To enhance user experience, my website includes both dark and light modes, allowing users to choose their preferred viewing option. The addition of Typed.js adds a touch of interactivity by creating animated typing effects, while Scroll Reveal ensures a captivating scrolling experience by gradually revealing content as users navigate through the site.
 - Overall, my portfolio website is a well-crafted blend of technology and design, highlighting my skills and creativity in a memorable way.

TECHNICAL SKILLS AND INTERESTS

Languages : C++, C, Python, HTML, CSS, Javascript
